Bleach, Blankets & Toy Donations Urgently Needed at the SPCA of Northern Nevada

(Reno, NV) – The SPCA of Northern Nevada (SPCA) is rescuing even more animals during the holiday season and needs your help to fully care for these animals. The community has been so generous in providing supplies for our homeless animals, however we are experiencing an increase in rescued animals at the SPCA and we need to ask for community support in providing the best possible care for these animals.

“We are currently in need of Bleach, Blankets, Towels and Dog Toys more than any other items on our wish list.” “Many people would be surprised to know that we go thru more than 60 large bottles of Bleach a month.”

Items Urgently Needed:

Bleach, Laundry Soap, Dishwasher Soap, 42 gallon trash bags, Dish soap, Chicken and Beef Broth, Peanut butter, Blankets, Collars (SM-LG), Paper Towels, Canned Cat Food: Friskies Pate & Fancy Feast Classic, Feline Pine Cat Litter, Kitty Beds, Cat Trees & Toys: Small mice, feather toys, wand toys. Ceramic dishwasher safe dishes are always needed.

When you adopt a new furry friend from the SPCA, it's comforting to know all dogs and cats are spayed and neutered, vaccinated, and micro-chipped before being adopted. (ALL cats are tested for FELV/FIV) If we can keep costs down by counting on the community for donations then we are able to rescue even more animals and find them loving homes.

Tax deductible donations of Blankets, Towels & Toys may be dropped off daily 11:00 am - 6:00 pm, at the new SPCA of Northern Nevada Pet Care & Adoption Center at 4950 Spectrum Blvd., Reno, (395 Dandini Exit). Donations may also be dropped off at the SPCA Thrift Store at 401 Vine Street.

Visit spcanevada.org to view current adoptable animals.
